A Healthy Dose Of Vitamin Sea

We're prescribing some major Vitamin Sea, our well-being ethos for our oceans, our Crew and our Sailors. Experiences that deliver rejuvenation and transformation with a balance of self-care and play including:

- Group fitness classes included in the voyage fare
- Both indoor and outdoor well-being spaces
- Full spa offering body treatments and Thermal Suite amenities
- No Sailor-facing, single-use plastics on board

Out-Of-This-Sea Performances

We're completely rethinking how destinations and entertainment at sea is done. Intimate, fun, surprising and just plain weird (in a good way), our entertainment experiences will change views and perspectives. We're working with some of the brightest up and coming creative minds, who push boundaries to create uniquely Virgin Voyages parties, music, shows and happenings all designed to inspire and enthuse.

- Experiences to appeal to a variety of tastes and interests, where multiple events take place at all times
- Create your own experience: Most entertainment is included so Sailors can spectate, participate or be fully immersed as much as they want to be
- The Red Room is the first transformational, multi-form theater at sea allowing for a variety of performance styles
- No traditional cruise director or entertainment team

Exciting Destinations

Sailors will carve their own paths in places with experiences that promote self-discovery and plenty of time to explore in each location.

Destinations Include:

- Costa Maya, Mexico
- Puerto Plata, Dominican Republic
- Key West, Florida
- San Juan, Puerto Rico
- Cozumel/ Playa Del Carmen, Mexico
- All itineraries will make a day trip to our exclusive Beach Club at Bimini, Bahamas

Meetings With Meanings

Our meeting spaces are as fun as any of our social spaces because let's face it, meetings are just events with business stuff (or birthdays) thrown in. Whatever your circle uses them for, these spaces are designed to be inspiring, so your entire squad stays energized.

- All spaces have complete AV capabilities

Eateries (And Drink-Eries)

We're rethinking how people eat and drink at sea. All chef-curated eateries are included in the core voyage experience, and they all accept dinner reservations for up to parties of 25.

- 20+ eateries (including the 11 revealed eateries below) with bars in every restaurant.
- We're comping all cover charges and basic bevies (water, coffee, sachet teas, sodas).
- No main dining room. No wasteful beige buffets. No assigned seating.
